About the College:

PANIMALAR INSTITUTE OF TECHNOLOGY

A Christian Minority Institution of Technical Education functioning under Jaisakthi Educational Trust is intended for the dissemination of profound knowledge among the ambitious student community in Engineering and Technology. It has established its reputation in not only imparting high quality education but also in emphasizing discipline. This institution offers courses viz., MECH, ECE, EEE, CSE and IT. The institution is likely to expand its sphere in other faculties also. The institution takes care to impart updated and high quality technical education throughout the year. Special care is taken in the matter of students becoming qualified as well as competent to face the challenges of the leading corporate in the present world of tough competition. Every effort is taken to transform the students into well rounded personality with strong confidence and sound character making no compromise in perfection, morality, dedication and commitment. Member of associations such as : ISTE, IEEE, CSI, IETE, IET, SAE , etc..

MUSCAT COLLEGE

Founded in year 1996, is one of the oldest private colleges in Oman. Ever since, then college has been shouldering the responsibilities of teaching undergraduate students. Creative and innovative approaches towards efficient learning and scientific developments are at the core of our mission. We endeavor to create and enrich the environment that promotes intellectual pursuits at critical thinking, excellence and the search for scientific knowledge befitting the national requirements. Faculty, staff and students, alike, cherish academic freedom with full responsibility. Muscat College was one of the pioneering colleges in Oman to initiate undergraduate studies at the Bachelor with honours degree level.

Muscat College is well known for the quality of its academic programs and supporting facilities and services, which aim at providing students with a true college education. The College offers undergraduate HND programs in affiliation with Scottish Qualification Authority (SQA), as well as Bachelor with honours programs in affiliation with University of Stirling, Scotland. Muscat College also have partnership agreement with Universiti Malaysia Pahang to offer Bachelor programs with Honors in technological fields such as Computer Network Systems, and Software Engineering. We are offering Masters programs from the academic year 2017-2018.

Scope of the Conference

Fourth International Conference on Innovative & Emerging Trends in Engineering and Technology provides vibrant opportunities for the delegates to exchange new ideas, application experiences, the practical challenges encountered and to establish research relations thereby enabling to find global partners for future collaboration. The Technical Programme of the conference will consist of invited key note talks and paper presentations. The conference aims at welcoming innovative ideas from all the research scholars, faculty, students and industry professionals in the fields as per conference themes mentioned in this brochure.

Conference Theme – I

RECENT TRENDS IN COMMUNICATION

Call For Papers but not limited to:

Airborne Vehicle Communication
Cognitive Random Access Networks (CRAN)
DSP and VLSI FPGA Systems
Green Communications/Energy Harvesting
Deep Learning /Internet of Everything (IoE)
Microwaves, Antenna, RFID Systems
Embedded, Robotics & Automation Systems
Hybrid Intelligent systems
Machine Vision & Image processing
Underwater Acoustic Communication and Networks
3G/4G/5G Wireless Communications and Networks

Conference Theme- II

COMPUTING AND NETWORKING

Call For Papers but not limited to:

Cloud Computing , IoT- Internet of Things
Big Data & Data Analytics
Android Applications Development
Cyber Forensics ,Ethical Hacking
Computer Graphics & Virtual Reality
Database and Data Mining
Game and Software Engineering
Natural Language Processing
Block Chain, Augment /Virtual Reality
Cognitive science, 3D Printing

Conference Theme – III

RECENT TRENDS IN POWER ELECTRONICS AND POWER SYSTEM

Call For Papers but not limited to:

Modern Power Converters, Industrial Drives
Power Electronics for Renewable Energy Systems
Modern Process Control, Electricity Markets
Fuzzy Logic and Neural Networks
Power System Operation, Modern Power System Control
Smart Grid, Green Energy, HVDC, and FACTS

Conference Theme – IV

TECHNOLOGICAL ADVANCEMENTS IN MECHANICAL ENGINEERING

Call For Papers but not limited to:

Alternate Fuels, Industrial Automation
Green Manufacturing, Thermal Storage System
Metal Joining Processes ,Non Traditional Machining
Heat Transfer Mechanics, Sustainable Energy Systems
Advanced Composite Materials,
Product Design and Development
Surface Engineering and Coatings
Optimization Techniques in Engineering
Mathematical Modeling, Analysis and Simulation

Publication

Authors are invited to submit original unpublished full papers by electronic submission. All papers should be submitted through 'EasyChair' using the link

<https://easychair.org/conferences/?conf=icietet19>

All accepted papers will be peer reviewed and will be published in our conference proceeding and Selected papers will be recommended to SCOPUS INDEXED Journals with Authors concern. Full paper submission guidelines are mentioned in the conference website.
