

PIT has Conducted Live Webinar on India's First Leadership Talk Series in collaboration with MHRD Institution Innovation Council on 22nd August 2019

OBJECTIVES:

Students and Faculty members learn about to work towards their goals and present scenario about our nation. From India's First Leadership Talk students learn that they are the potential to transform the nation by keeping our country clean and save water for future generation.

Benefits:

It was an enlightening session as we learnt experiences and learning from sir's career. They also understood how the new generation of students is different. Participants also understood how to plan a career path. In all, the session was very understandable and was appreciated by the students and faculty members. Students and faculty member summarized teaching and learning's from the session at the end.
