## Workshop on Design and Control of Power Electronic Devices using MATLAB 01 September 2017

### ADVISORY COMMITTEE:

**Dr. P.CHINNADURAI, M.A., Ph.D.,**  
Secretary & Correspondent

**Mrs. C. VIJAYARAJESWARI**  
Director

**Mr. C.SAKTHIKUMAR, M.E.,**  
Director

**Mrs. SARANYASREE SAKTHIKUMAR, B.E.,**  
Director

**Dr. T.JAYANTHY, M.E., Ph.D.,**  
Principal

### CONVENER:

**Dr. M.P.CHITRA, M.E., Ph.D.,**  
Professor & HOD /ECE

### COORDINATOR:

**Mr. M.ARUN,** Assistant Professor, ECE

### RESOURCE PERSON:

**Dr. M.VENKATESHKUMAR,**  
Chairman IEEE YP &  
Vice Chairman IEEE PES, Madras Chapter.

### Objective

This workshop aimed at providing practical methods for incorporating Simulink in the classroom to enhance teaching of technical concepts. Engineering education involves a fine balance between teaching theory and imparting practical problem solving skills.

### Outcome

Design and Control of Power Electronic Devices

### Agenda

Introduction to Power Electronic Devices

Recent Development in the field of Power Electronics

Future Scope

Hands-on Session : Design & Control of Power Electronic Devices using MATLAB

### Registration

DD should be taken in favor of PIT IEEE payable at Chennai.

IEEE PES Members : Rs. 400/-

IEEE Member alone : Rs. 500/-

Others : Rs. 600/-
